Wawa Partners with Electrify America to Debut Eight Wawa Branded Chargers in Pennsylvania

Wawa, PA (August 19, 2026) – Wawa continues to grow its electric vehicle network with more than 280 locations to date with an additional eight Wawa Branded Chargers coming this year at locations below:

- Store 268 – 5900 Bristol Pike, Bristol, PA 19007
- Store 266 – 7572 Schantz Road, Allentown, PA 18106
- Store 8021 – 1960 John Fries Hwy., Quakertown, PA 18951
- Store 8070 – 8240 West Chester Pike, Upper Darby, PA 19082
- Store 8062 – 1600 Egypt Road, Phoenixville, PA 19460
- Store 8083 – 1242 W. Baltimore Pike, Media, PA 19063
- Store 8220 – 164 Maynard Street, Williamsport, PA 17701
- Store 8109 – 413 Lancaster Avenue, Reading, PA 19611

“Since 2017, Wawa has been a leader in providing EV charging solutions, with over 280 locations now offering this service,” said Rich Makin, Senior Vice President and Chief Fuel and Development Officer, Wawa. “This move to testing Wawa branded chargers demonstrates our ongoing commitment to meeting our customers’ fueling needs—whether they require electric charging or traditional liquid fuels. By owning Wawa branded chargers, we are always striving to deliver a more seamless, reliable, and consistent experience and this allows us to provide more options throughout 14 states for our customers.”

“The Electrify America white label offering helps retailers establish and operate a charging network that reflects their brand, customer experience and business goals,” said Rachel Moses, Senior Director of Sales and Marketing for Electrify America. “We’re thrilled to be working with Wawa to provide the technology, scale and seamless charging that will bring this branded experience to life for their customers.”

About the Wawa Branded Chargers

Wawa is always exploring new ways to serve customers and expand access to EV charging. The chargers at the stores in Upper Darby, Phoenixville, Media, Williamsport and Reading are capable of speeds up to 400 kilowatts (kW) and will offer CCS and NACS connectors. The chargers at the stores in Bristol, Allentown and Quakertown are capable of speeds up to 350 kW and will offer CCS connectors.

About Wawa

Wawa, Inc., a privately held company, began in 1803 as an iron foundry in New Jersey. Toward the end of the 19th Century, owner George Wood took an interest in dairy farming and the family began a small processing plant in Wawa, PA in 1902. The milk business was a huge success, due to its quality, cleanliness and “certified” process. As home delivery of milk declined in the early 1960s, Grahame Wood, George’s grandson, opened the first Wawa Food Market in 1964 in Pennsylvania as an outlet for dairy products. Today, Wawa is your all day, every day stop for freshly prepared foods, beverages, coffee, fuel services and surcharge-free ATMs. Wawa stores are located in Pennsylvania, New Jersey, Delaware, Maryland, Virginia, Ohio, Indiana, Kentucky, West Virginia, Tennessee and Washington, D.C. with 1,200 locations to date. The stores offer a large fresh foodservice selection, including Wawa brands such as custom prepared hoagies, freshly-brewed coffee, Sizzli hot breakfast sandwiches, hand-crafted specialty beverages, a dinner menu including burgers and an assortment of soups, sides and snacks. Forbes.com Ranks Wawa as #22 of America’s Largest Private Companies, one of Forbes 2023 America’s Best Employers for Women and New College Grads.

About Electrify America

Electrify America LLC, one of the largest DC fast charging networks in the U.S., is investing more than \$2 billion in Zero-Emission Vehicle (ZEV) infrastructure and access.
