

Stibo First Time Log In

Follow the instructions below to complete a One Time Set-up

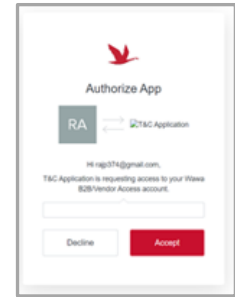

<p>Go to https://mdm.wawa.com</p> <p>Note: Chrome is the preferred browser for Stibo. While other browsers work, Stibo performs best in Chrome. Add this page to your favorites for future access.</p>	 The image shows the 'Welcome' screen of the Stibo application. It features the Stibo logo (a red bird) at the top. Below the logo, the text 'Welcome' is displayed. Underneath, it says 'Log in to Wawa iOS/Android App to continue to STIBO Application.' There is an input field for 'Email address' and a red 'Continue' button at the bottom.
<p>Enter email and click Continue</p>	 This is a duplicate of the 'Welcome' screen described in the first row, showing the login options and the 'Continue' button.
<p>Click Forgot password?</p> <p>Click Continue</p>	 The image shows the 'Enter Your Password' screen. It has the Stibo logo and the title 'Enter Your Password'. Below the title, the email address 'rjngp42554@gmail.com' is displayed with an 'Edit' link. There is a password input field with a toggle for visibility. A yellow message 'Forgot password?' is shown below the input field. A red 'Continue' button is at the bottom.
<p>Verify your email and Click Continue</p>	 The image shows the 'Forgot Your Password?' screen. It features the Stibo logo and the title 'Forgot Your Password?'. Below the title, it says 'Enter your email address and we will send you instructions to reset your password.' There is an input field for 'Email address' with the email 'rjngp42554@gmail.com' entered. A red 'Continue' button is at the bottom, and a link 'Back to STIBO Application' is at the very bottom.

<p>See acknowledgement that email was sent and check email inbox for further instructions on setting up password.</p>	
<p>Click URL in e-mail to confirm that you requested password change</p> <p>Create password using below criteria:</p> <ul style="list-style-type: none"> ▪ Password must be at least 15 characters (no more than 32 characters) ▪ Password must contain (at least) 1 numeric character ▪ Password must contain (at least) 1 alphabet character <p>Password must contain (at least) 1 special character</p>	
<p>Enter password</p> <p>Confirm password</p> <p>Click ➡ next arrow</p>	
<p>Return to log in page after password confirmation</p>	
<p>Enter email</p> <p>Click Continue</p>	

<p>Enter new password</p> <p>Click Log In.</p>	
<p>A new screen appears with a QR code. Follow the First time Log in instructions below to complete this one time set up.</p>	
<p>Download Google Authenticator from the App store for Android and iOS.</p>	
<p>Set up your 2FA (2 Factor Authentication) with Google Authenticator:</p> <p>Follow these steps to enroll in 2FA security authentication and complete your first-time log in.</p> <ul style="list-style-type: none"> • Scan QR code with Google Authenticator Mobile Application • Scanning code provides you with a one-time password • Enter password in text box • Click next arrow <p>Note: This enrollment step is only triggered at first-time login. The next time you log into STIBO application:</p> <ul style="list-style-type: none"> • Enter your username and password • Open Google Authenticator Mobile App and enter the 2FA code 	

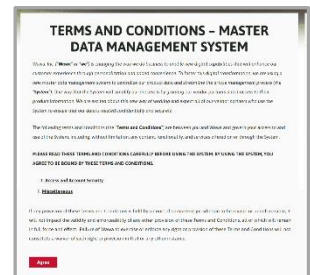

To ensure the security of both your data and ours, Wawa requires you to agree to Terms and Conditions prior to logging in for the first time.

The Authorize App pop up appears. Click **Accept**.

The Terms and Conditions agreement displays. Scroll to the bottom of the document and click **Agree**.

Note: Terms and Conditions pictured here is not representative of the full list. Please make sure you scroll through the full list.

You have successfully set up your log in to STIBO Supplier UI.
