About Wawa, Inc.

Wawa, Inc., a privately held company, began in 1803 as an iron foundry in New Jersey. Toward the end of the 19th Century, owner George Wood took an interest in dairy farming and the family began a small processing plant in Wawa, PA in 1902. The milk business was a huge success, due to its quality, cleanliness and "certified" process. As home delivery of milk declined in the early 1960s, Grahame Wood, George's grandson, opened the first Wawa Food Market in 1964 in Pennsylvania as an outlet for dairy products. Today, Wawa is your all day, every day stop for freshly prepared foods, beverages, coffee, fuel services and surcharge-free ATMs. Wawa stores are located in Pennsylvania, New Jersey, Delaware, Maryland, Virginia, Florida, North Carolina, Alabama, Georgia, Ohio, Indiana, Kentucky, West Virginia, and Washington, D.C. with 1,100 locations to date. The stores offer a large fresh foodservice selection, including Wawa brands such as custom prepared hoagies, freshly-brewed coffee, Sizzli hot breakfast sandwiches, hand-crafted specialty beverages, a dinner menu including burgers and an assortment of soups, sides and snacks. Forbes.com Ranks Wawa as #22 of America's Largest Private Companies, one of Forbes 2023 America's Best Employers for Women and New College Grads.
